

resource

An opportunity for all those working with children and young people to relax, unwind and share their stories.

resource is a monthly evening for anyone who works with children and young people.

It's a chance to relax and unwind, to get away from it all and to have some time out for yourself.

There will be coffee, cake and a chance to chat with others who work with children and young people: share ideas, share stories and share problems!

Each evening begins at 6.30pm and ends around 8, but please feel free to come and go to suit yourself.
